SECTION 1 - TITLE. This Resolution shall be cited as the Salary and Fringe Benefit Resolution of the County of Madera.

SECTION 2 - SALARY SCHEDULES. Except as otherwise provided in this Resolution, salaries shall be at the applicable salary rates designated on the attached Salary Schedules and accompanying Tables (hereafter, "Salary Schedules"). The Salary Schedules shall show the salary range number and the rates to be paid at each step within the range for full-time service. Hourly rates shall be used only when monthly rates cannot reasonably be used or when so prescribed.

All Classified/Unrepresented Employees placed on Step A of the salary range will remain on Step A for twelve (12) months before being eligible for movement to Step B.

SECTION 4 - FRINGE BENEFITS FOR EXTRA-HELP EMPLOYEES.

Generally, the fringe benefits provided hereunder shall not be provided to extra-help employees, except that certain fringe benefits shall be provided to such employees as follows:

- a. In the next succeeding month following the completion of one thousand (1,000) hours of paid employment within a fiscal year, an extra-help employee shall be entitled to participate in the Public Employees' Retirement System's Retirement Plan. The County shall contribute its portion of the retirement contribution for each succeeding month of employment in which the employee works.
- b. To be in compliance with the large employer mandates of the Federal Affordable Care Act, effective January 1, 2015, and in the next succeeding month following the completion of an initial twelve (12) month measurement period whereby an extra-help employee averages at least 130 hours of paid employment per month, the extra-help employee shall be entitled to participate in the Public Employees' Health Insurance Plan. For purposes of determining eligibility to participate in the Health Insurance Plan, extra-help employees hired on or before December 1, 2013, will have an initial twelve (12) month measurement period of December 1, 2013 to November 30, 2014. Extra-help employees hired

after December 1, 2013 will have an initial measurement period of twelve (12) months that begins on their hire date if they start on the first of the month, otherwise it shall start on the first of the following month. Extra-help employees who are identified upon hire as anticipated to average at least 130 hours of paid employment per month over their initial twelve (12) month measurement period, as determined by the hiring authority and the Deputy CAO – Human Resources/Operations, will be entitled to participate in the health plans on the first of the month following one full month of employment. The County shall contribute its portion of the health plan contribution for each succeeding month of employment in which the employee works. Should the employee have insufficient earnings to pay his or her share of any health insurance premiums, the employee will be afforded the opportunity to contribute the balance of the full health insurance premium for that month. These provisions will not affect the extra-help employee's right to continue coverage under COBRA, the County's portion of retirement contributions, or an extra-help employee from requalifying for health plan contributions should he or she meet the 130 hours or more per month average in a subsequent measurement period.

- c. After the initial twelve (12) month measurement period, an extra-help employee's hours will be measured on an annual basis to qualify for initial or continued benefits and the County's portion of health plan contributions. The eligible extra-help employee will be required to average at least 130 hours of paid employment per month during the County's standard

measurement period from December 1 to November 30 of each year. An extra-help employee entitled to participate in the Health Insurance Plan, as determined by the initial or standard measurement period, will be entitled to participate for the subsequent twelve (12) months (which is the stability period).

*For specific details about the Federal Affordable Care Act and the County's Compliance/Implementation Plan, please see the Board-approved Action Item dated August 26, 2014, and any subsequent amendments.

- d. In the next succeeding month following the completion of one thousand (1,000) hours of paid employment within a twelve (12) month period at the "A" step of a salary range, an extra-help employee shall be entitled to be considered for advancement to the "B" step of the salary range of the classification in which employed;
- e. After the completion of two thousand (2,000) hours of paid employment (in which there has not been a termination and subsequent re-employment) at the "B" step of a salary range, an extra-help employee shall be entitled to be considered for advancement to the "C" step of the salary range; and
- f. An extra-help employee shall be entitled to be considered for advancement to step increases up to and including the "E" step of the salary range of the classification after each two thousand (2,000) hours of paid employment (in which there has not been a termination and subsequent re-employment).

- g. Effective July 1, 2015, extra help employees (excluding retired annuitants) who are employed with the County of Madera for 30 days or more between January 1, 2015 and June 30, 2015 shall be credited with twenty-four (24) hours of paid sick leave.
 - 1. Said extra help employees shall be eligible to utilize the credited hours once they are employed by the County for ninety (90) days. For example, an extra help employee who is hired June 1, 2015 will be eligible to utilize the twenty-four (24) hours beginning September 1, 2015.
 - 2. These extra help employees shall be credited with twenty-four (24) hours of sick leave each July 1st thereafter.
 - 3. The credited hours shall not have a cash value at the time of separation/termination, and shall not carry over from year to year.
- h. Extra help employees (excluding retired annuitants) who are hired on or after July 1, 2015, shall be credited with twenty-four (24) hours of paid sick leave thirty (30) days after the employee's 1st day of employment ("anniversary date").

 - 2. These extra help employees shall be credited with twenty-four (24) hours of sick leave each year on their anniversary date.
 - 3. The credited hours shall not have a cash value at the time of separation/termination, and shall not carry over from year to year.
- i. Regardless of the date of hire, if an extra help employee separates and returns to work within twelve (12) months, he/she shall be credited with the sick leave hours that were accrued and unused at the time of

separation. This will not preclude the extra help employee from receiving the annual twenty-four (24) hours of sick leave pursuant to subsection h above; however, the accrued and unused hours, and the new frontloaded hours, must be utilized at the conclusion of the first twelve (12) month reemployment period. These hours shall have no cash value and they shall not carry over to the next succeeding twelve (12) month employment period. Reemployed extra help employees who fall under the provisions of this subsection shall be credited with paid sick leave hours pursuant to subsection h above for each subsequent year of employment.

- j. Regardless of the date of hire, if an extra help employee's regularly scheduled work shift is greater than eight (8) hours per day, he or she is entitled to three (3) days of paid sick leave per year.
- k. Extra help employees who are provided with paid sick leave shall only utilize such leave upon the approval of the appointing authority and only in case of any of the following:
 - 1. The extra help employee's absence required by his/her bona fide illness or injury causing inability to work.
 - 2. Exposure to contagious disease requiring quarantine.

APPENDIX - FRINGE BENEFIT SPECIFICATIONS

Bilingual Compensation. Any eligible Officer or Employee determined by the Human Resources/Operations Division to proficiently communicate in a second language may be eligible for additional compensation. For positions identified as requiring the use of this second language at least 25% of the work time, the supplemental compensation shall be Forty-Five Dollars (\$45.00) per month. Officers and Employees receiving more than Forty-Five Dollars (\$45.00) per month as of June 30, 1994, shall continue to receive the amount paid as of that date. For those positions approved for occasional use of the second language, the supplemental compensation shall be Twenty Dollars (\$20.00) per month.

The County Administrative Officer shall determine the required language and the number of positions that will be authorized to receive bilingual compensation.

In order to be eligible for bilingual pay, an employee must proficiently speak or communicate in another language. To qualify for occasional use the employee must be tested by the Human Resources/Operations Division to demonstrate proficiency in communicating the second language. To qualify for the Forty-Five Dollars (\$45.00) per month differential the employee must demonstrate use of the language for at least 25% of the time worked. This is achieved by filling out a work activity log. The Human Resources/Operations Division will provide an employee with a work activity log along with an explanation for filling out the log. The log must be filled out over ten (10) consecutive working days and must be signed off by the employee's immediate supervisor. The log is then submitted to the Human Resources/Operations Division for verification that the other language was spoken 25% or more of the employee's work time.

If the time is verified, a proficiency examination must then be taken, unless it has already been completed on the basis of occasional use. As with occasional use, if the employee is deemed proficient in the language as a result of testing administered by the Human Resources/Operations Division, the employee will qualify for the bilingual premium. Premium pay for either occasional use or 25% use will be effective either the first of the month following the date that the Department certifies that bilingual services began or the 1st day of the month following the submission of the work activity log to the Human Resources/Operations Division. In the second case, a pay adjustment will be made if the proficiency examination causes a delay in processing.

If an Officer or Employee fails to meet the 25% time qualification or does not pass the proficiency examination, the Officer or Employee must wait six (6) months to again be considered for the bilingual premium.

Deferred Compensation. The County shall continue to make available to eligible Officers and Employees the opportunity to participate, on a voluntary basis, in a tax-qualified deferred compensation program. Officers and Employees shall be allowed to contribute funds to said program through the use of payroll deductions.

Health and Welfare. The County shall maintain medical coverage as provided by the Public Employees' Retirement System (PERS). The County agrees to fund and maintain the health benefit program at the contribution rate of 95% for single member coverage and an additional 50% for either two-party or dependent coverage using the lowest premium rate structure of CalPERS HMO health plan (excluding Kaiser) offered Dental Program, and the Vision Service Plan.

Any Elective Officer or Non-elected Department Head providing evidence of health coverage from an outside source, comparable to the coverage options with the County of Madera, will be eligible to have the County pay each month into a deferred compensation account for the eligible Officer or Employee, in lieu of participation in the County health benefit program, a sum equal to the County's maximum contribution rate for single member health insurance coverage. This payment is in lieu of and not in addition to the One Hundred Dollars (\$100.00) per month provided for above.

The County shall contract with a licensed health care services provider for an Employee Assistance Program that will provide Officers and Employees and their dependents confidential behavioral health counseling for a total of up to three (3) visits each six (6) months with a cost to the County not to exceed Two Dollars (\$2.00) per month per covered Employee.

Attachment 'A'

Implementation Plan

The Healthy Workplaces, Healthy Families Act of 2014 (AB 1522)

- I. Adopt the 'front-loaded method' whereby extra help employees will be credited with twenty-four (24) hours of paid sick leave at the beginning of the Fiscal Year, or upon their 'anniversary' (or start) date if hired on or after July 1, 2015.
- II. With the adoption of the 'front-loaded method', extra help employees are required to be employed with the County for at least thirty (30) days before receiving any paid sick leave hours, and they must also be employed with the County for at least ninety (90) days before utilizing any of the hours. For purposes of the legislation, days are to be interpreted as 'calendar' days 'on the payroll' (and not 'worked') from January 1, 2015.
- III. There will be no changes to the paid sick leave accrual rates for all permanent employees, which are as follows:
 - 8 hours/month for full-time employees (40 hours/week)
 - 6 hours/month for $\frac{3}{4}$ part-time employees (30 hours/week)
 - 4 hours/month for $\frac{1}{2}$ part-time employees (20 hours/week)

It is recognized that the above-referenced accrual rates meet the legislative threshold as currently referenced in AB 1522.

- IV. There will be no changes to the timeframes in which all permanent employees accrue and are credited with paid sick leave. Permanent employees begin accruing sick leave the first month of employment, and can utilize the accrued leave the first of the month following employment (e.g. for a full-time employee hired July 1, 2015, 8 hours of accrued paid sick leave will be credited on July 31, 2015, and the employee is eligible to utilize the accrued hours on August 1, 2015).
- V. Effective July 1, 2015, extra help employees (excluding retired annuitants) who are employed with the County of Madera for 30 or more days between January 1, 2015 and June 30, 2015 shall be credited with twenty-four (24) hours of paid sick leave.
