<b>1D</b>	<b>KINDERGARTEN-UNIVERSITY PUBLIC EDUCATION FACILITIES BOND ACT OF 2006.</b> Yes <input type="checkbox"/>
	This ten billion four hundred sixteen million dollar (\$10,416,000,000) bond issue will provide needed funding to relieve public school overcrowding and to repair older schools. It will improve earthquake safety and fund vocational educational facilities in public schools. Bond funds must be spent according to strict accountability measures. Funds will also be used to repair and upgrade existing public college and university buildings and to build new classrooms to accommodate the growing student enrollment in the California Community Colleges, the University of California, and the California State University. Fiscal Impact: State costs of about \$20.3 billion to pay off both the principal (\$10.4 billion) and interest (\$9.9 billion) on the bonds. Payments of about \$680 million per year. No <input type="checkbox"/>
<b>1E</b>	<b>DISASTER PREPAREDNESS AND FLOOD PREVENTION BOND ACT OF 2006.</b> This act rebuilds and repairs California's most vulnerable flood control structures to protect homes and prevent loss of life from flood-related disasters, including levee failures, flash floods, and mudslides; it protects California's drinking water supply system by rebuilding delta levees that are vulnerable to earthquakes and storms; by authorizing a \$4.09 billion dollar bond act. Fiscal Impact: State costs of approximately \$8 billion over 30 years to repay bonds. Reduction in local property tax revenues of potentially up to several million dollars annually. Additional unknown state and local operations and maintenance costs. Yes <input type="checkbox"/>
