

# WHAT IS AB341?

## AB341 Does Five Things

- 1) Sets a state wide policy goal of 75% waste diversion by year 2020
- 2) Requires mandatory commercial recycling by certain businesses and public entities
- 3) Modifies the process of amending Non-Disposal Facility Elements
- 4) Changes the due date of state agency reports
- 5) Modifies enforcement agency notification requirements for modification to a solid waste facility permit

---

## Comply with the New Commercial Recycling Law

Businesses and public entities that generates four cubic yards or more of waste per week and multi-family units of five or more will be required to recycle.

Businesses can take one or any combination of the following in order to reuse, recycle, compost or otherwise divert solid waste from disposal:

- Self-haul
- Subscribe to a hauler
- Arrange pick-up of recyclables
- Subscribe to a recycling service that may include mixed waste processing that yield diversion results comparable to source separation.
