INCOMPATIBILITY OF OFFICES

The Political Reform Act does not prohibit any officeholder from holding multiple public offices or seeking more than one elective office. For example, a deputy district attorney can hold the office of city council member, or a water board director may also be elected to a park and recreation district. There are, however, instances of holding more than one office that are considered incompatible.

There is no single statute that defines “incompatibility of offices”. The common law doctrine of incompatibility of offices, however, prevents an elected official from holding two offices simultaneously **if the offices have overlapping and conflicting public duties.**

The courts have defined the concept as follows: “One individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both”.

The State of California Attorney General’s Office has issued many opinions of particular compatibility questions. Here are six examples of **incompatible** offices:

1. The offices of city councilman and school district board member where the city and the school district have territory in common;
2. Fire Chief of a County Fire Protection District and member of the Board of Supervisors of the same county;
3. High School District Trustee and Trustee of an Elementary School District which is wholly within the geographic boundaries of the high school district;
4. Water District Director and a City Council member;
5. Water District Director and a School District Trustee having territory in common; and
6. Deputy Sheriff and County Supervisor.

If you have a question about whether two public offices which you hold or seek to hold would be considered incompatible, contact the Attorney General’s office at (916) 324-5437 or visit their website at www.caag.state.ca.us. For further information about conflict of interest or incompatibility of offices, contact the Fair Political Practices Commission at 1-800-275-3772 or at www.fppc.ca.gov.

CAMPAIGN DISCLOSURE REQUIREMENTS OFTEN OVERLOOKED

BE INFORMED: The Franchise Tax Board is authorized under Section 90001 of the Government Code to audit Campaign Disclosure Statements. The audit can include tests of the accounting records and other such auditing procedures.

The purpose of campaign disclosure is to provide the public with the identity of contributors and the amounts they give, as well as the amount officeholders, candidates and committees spend. The laws passed to enforce that purpose can be challenging for the unwary, therefore some often overlooked requirements, some identified in audit reports, are provided here:

- Unopposed candidates are subject to provisions of the Political Reform Act (GC82007)
- Prior to soliciting or receiving any contribution (including a loan), all elected officeholders and all candidates must file a Form 501.
- Contributions include **PERSONAL FUNDS** and are subject to the same disclosure requirements.
- Statement of Organization (Form 410) must be filed within 10 days by any person who receives contributions totaling \$1,000 or more during a calendar year.
- Officeholders and candidates who receive contributions or make expenditures must establish a campaign checking account in California and report it on a Form 410.
- Loans to a candidate are considered contributions unless the loan is from a financial institution.
- Filing fees and candidate statement fees may be paid in cash if the candidate is using personal funds and will not be reimbursed through the committee (GC85200). Otherwise, campaign disclosure laws requires that expenditures of \$100 or more be made by written instrument containing the names of both the payee and payer. (GC84300)
- Never accept or spend \$100 or more in cash.
- For contributions of \$100 or more, including loans, and in-kind contributions, you must disclose the contributor's name, address, occupation and employer. Contributions of \$100 or more may not be made in the form of a money order or cashier's check. Contributions may continue to be made with a credit card. (GC84300)
- Maintain details on contributions and expenditures of \$25 or more, even if you are spending less than \$1,000.
- Make copies of all contributor checks.
- Candidates must disclose employer information for all contributors and keep records of occupation and employer information.
- **NO PERSONAL USE OF CAMPAIGN FUNDS.** Use campaign funds only for political, legislative or governmental purposes.
- The source of each loan must be disclosed.
- All expenditures of \$100 or more must be itemized on the campaign statements, and then summarized on the Campaign Disclosure Statement summary page.
- As long as the committee is in existence, a Semi-Annual Campaign Statement must be filed. If the candidate has filed a long form (460) previously in the calendar year, a 460 must also be filed as the Semi-annual Statement even if there is no activity.
- Payee addresses must be disclosed on the campaign statements for expenditures made.
- If the committee changes its treasurer, an amendment to the Form 410 must be filed.
- If \$1,000 or more (\$500 or more for local county candidates) is received from one contributor during the last 16 days before the election, disclose receipt within 24 hours, even if the contribution is from your personal funds.

Elections Code Section 18541 provides that any person who violates the above provisions is punishable by imprisonment in county jail for not more than 12 months or state prison. Any person who conspires to violate this section is guilty of a felony.

POLL WATCHING

Poll watchers are allowed at the polling place as long as they obey the law and election procedures. Persons observing the polls may:

- ◆ Inspect the Roster of Voters. Any such inspection, however, must be done without impeding, interfering, or interrupting the normal processing of voters.
- ◆ Inspect the Street Index which is updated hourly by poll workers reflecting which voters have voted. This list may not be removed by anyone other than the poll workers.
- ◆ Observe all activities at the polling place, including activities after the polls close, providing they do not interfere with the normal closing procedures.

EXIT POLLING

The Secretary of State and Attorney General have reviewed the Electioneering provisions and have determined that these provisions do not apply to the Press and Media conducting “Exit Polls”. However, no one may interfere with the conduct of the election. News media are instructed to remain at least 25' from the entrance to the polls. The media may take pictures or run a television camera inside the polling place provided they respect the voters’ privacy and do not interfere with voting. They may not speak to voters regarding how they are voting within 25' of the entrance to the polls.
