

Questions on RFP

1. Can an entity subcontract with a school district to provide the services for that district.
 - a. It would be up to the school district to decide this. Each proposal would be evaluated on an individual basis by the RFP Committee
2. The reference in the RFP re: list of evidenced-based practices, if an entity wanted to use another evidenced-based practice that was not on the list, could they or will the service provider be limited to those on the list.
 - a. The service provider needs to use an evidenced-based practice (one that could be referenced and reviewed/evaluated by RFP committee).
