OPEN PRIMARY ACT

ELECTIONS CODE SECTION 9083.5

VOTER-NOMINATED OFFICES

Under the California Constitution, political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the following general election. A candidate for nomination or election to a voter-nominated office shall have his or her party preference, or lack of party preference, reflected on the primary and general election ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not constitute or imply an endorsement of the candidate by the party designated, or affiliation between the party and candidate, and no candidate nominated by the qualified voters for any voter-nominated office shall be deemed to be the officially nominated candidate of any political party. The parties may list the candidates for voter-nominated offices who have received the official endorsement of the party in the sample ballot.

All voters may vote for any candidate for a voter-nominated office, provided they meet the other qualifications required to vote for that office. The top two votegetters at the primary election advance to the general election for the voter-nominated office, even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation participate in the general election unless such candidate is one of the two highest votegetters at the primary election.

(c) If any candidate for nomination or election to a nonpartisan office, other than judicial office, shall appear on the ballot, the Secretary of State shall include in the state ballot pamphlet a written explanation of the election procedure for such offices. The explanation shall read substantially similar to the following:

NONPARTISAN OFFICES

Under the California Constitution, political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate nominated for a nonpartisan office at the primary election is not the official nominee of any party for the office in question at the ensuing general election.

A candidate for nomination or election to a nonpartisan office may NOT designate his or her party preference, or lack of party preference, on the primary and general election ballot. The top two votegetters at the primary election advance to the general election for the nonpartisan office. (d) Posters or other printed materials containing the notices specified in subdivisions (a) to (c), inclusive, shall be included in the precinct supplies pursuant to Section 14105.

ACCEPTABLE FORMS OF PROOF TO ESTABLISH QUALIFICATIONS FOR OFFICE

For those offices for which proof of qualifications is required, (noted with *) the following are acceptable types of documentation:

Certificates
Diplomas
Declaration under Penalty of Perjury
Official Correspondence

Documentation may include the submission of either an original, as defined in Section 255 of the Evidence Code, or a duplicate, as defined in Section 260 of the Evidence Code.

EVIDENCE CODE SECTION 255:

“Original” means the writing itself or any counterpart intended to have the same effect by a person executing or issuing it. An “original” of a photograph includes the negative or any print therefrom. If data are stored in a computer or similar device, any printout or other output readable by sight, shown to reflect the data accurately, is an “original”.

EVIDENCE CODE SECTION 260:

A “duplicate” is a counterpart produced by the same impression as the original, or from the matrix, or by means of photography, including enlargements and miniatures, or by mechanical or electronic re-recording, or by chemical reproduction, or by other equivalent technique which accurately reproduces the original.

INCOMPATIBILITY OF OFFICES

The Political Reform Act does not prohibit any officeholder from holding multiple public offices or seeking more than one elective office. For example, a deputy district attorney can hold the office of city council member, or a water board director may also be elected to a park and recreation district. There are, however, instances of holding more than one office that are considered incompatible.

There is no single statute that defines “incompatibility of offices”. The common law doctrine of incompatibility of offices, however, prevents an elected official from holding two offices simultaneously **if the offices have overlapping and conflicting public duties.**

The courts have defined the concept as follows: “One individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both”.

The State of California Attorney General’s Office has issued many opinions of particular compatibility questions. Here are six examples of **incompatible** offices:

1. The offices of city councilman and school district board member where the city and the school district have territory in common;
2. Fire Chief of a County Fire Protection District and member of the Board of Supervisors of the same county;
3. High School District Trustee and Trustee of an Elementary School District which is wholly within the geographic boundaries of the high school district;
4. Water District Director and a City Council member;
5. Water District Director and a School District Trustee having territory in common; and
6. Deputy Sheriff and County Supervisor.

If you have a question about whether two public offices which you hold or seek to hold would be considered incompatible, contact the Attorney General’s office at (916) 324-5437 or visit their website at www.caag.state.ca.us. For more information about conflict of interest or incompatibility of offices, contact the Fair Political Practices Commission at 1-800-275-3772 or at www.fppc.ca.gov.

STATEMENT OF QUALIFICATIONS GUIDELINES FOR VOTER-NOMINATED LEGISLATIVE OFFICES

CANDIDATE INFORMATION

Important notice to candidates in legislative districts that encompass more than one county: Procedures, requirements, fees, formats and public examination periods for candidates' statements may vary between counties. It is the candidate's responsibility to contact each county (in which he or she wishes to have a statement printed) within the district to obtain the appropriate information from each county. Failure to do so may jeopardize the printing of the candidate's statement.

The text of the statement shall not exceed 250 words. Word count standards shall be pursuant to Elections Code Section 9.

All statements must be submitted on, or attached to, the form provided by the county election official of each county in which the candidate wishes to have his/her statement printed. Statements must be formatted pursuant to the guidelines provided by each county. Statements not submitted in the appropriate format will be reformatted by the county election official. The county election official bears no responsibility for the correct typesetting of statements that must be reformatted.

Statements shall not, in any way, make reference to other candidates for office or to another candidate's qualifications, character or activities. Moreover, no statement shall contain any demonstrably false, slanderous or libelous statements nor any obscene or profane language.

The statement will be printed in languages required by the Voting Rights Act as well as those languages, if any, required by the counties within the jurisdiction. If Spanish is not a required language, a candidate may request a Spanish translation of his/her statement at additional cost.

FILING INFORMATION

Candidate's statements shall be filed in the office of the election official of each county within the district in which the candidate wishes a statement to be printed, not later than 5:00 p.m. on the 88th day prior to the election, or in the event that the nomination period has been extended, until 5:00 p.m. on the 83rd day prior to the election. Candidates' statements are confidential until the expiration of the period for filing such statements. Statements may be withdrawn, but not changed, until 5:00 p.m. of the next working day after the 88th or 83rd day prior to the election, whichever is applicable. *It is strongly recommended that the statement be filed personally by the candidate. If the statement is filed by someone other than the candidate, that person should have the authority to make corrections or deletion to the statement in the event that errors or an excess number of words are detected prior to filing the statement. Statements received by mail prior to the deadline will be filed provided that they meet the statutory requirements and county policies regarding candidates' statements. Statements may not be changed after filing.*

Counties may require candidates to deposit the estimated cost of printing the statement at the time of filing the statement or may invoice the candidates for the actual cost of printing the statement after the election. If the actual cost of printing the statement exceeds the deposited amount, the candidate will be invoiced for the remainder of the cost. If the actual cost of the printing the statement is less than the deposited amount, the candidate will receive a refund of the overpayment.

Candidates' statements are available for public examination in the county election officials's office 10 days prior to submission for printing. During this period any voter of the jurisdiction in which the election is to be held, or the county election official, may seek a writ of mandate or an injunction requiring any or all of the material in the statement to be amended or deleted. Venue for such a proceeding shall be the county in which the statement is filed. If the statement is filed in more than one county, the writ or injunction must be sought in each county in which the amendments or deletions to the statement are sought.

STATEMENT OF QUALIFICATIONS GUIDELINES

PROVISIONS OF THE CODE OF FAIR CAMPAIGN PRACTICES

Chapter 5 of Division 20 California Elections Code

Chapter 5. Fair Campaign Practices

Article 1. General Intent

20400. The Legislature declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices.

It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidate to discuss issues instead of untruths or distortions.

Article 2. Definitions

20420. As used in this chapter, "Code" means the Code of Fair Campaign Practices.

Article 3. Code of Fair Campaign Practices

20440. At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is VOLUNTARY.

In the case of a committee making an independent expenditure, as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee.

20441. The Secretary of State shall print, or cause to be printed, blank forms of the code. The Secretary of State shall supply the forms to elections officials in quantities and at times requested by the elections officials.

20442. The elections official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election.

20443. Every code subscribed to by a candidate for public office pursuant to this chapter is a public record open for public inspection.

20444. In no event shall a candidate for public office be required to subscribe to or endorse the code.

CAMPAIGN DISCLOSURE REQUIREMENTS

The Political Reform Act of 1974 requires all candidates for state and local elective office, all state and local elected officeholders, proponents of state and local ballot measures who control a ballot measure committee, and committees supporting or opposing state and local candidates, and all measure committees, to file campaign disclosure statements disclosing contributions received and expenditures made. It is the responsibility of the candidate and or committee to be aware of and to file required campaign disclosure statements in a correct and timely manner. **Government Code Section 91013 provides for a late filing fine of \$10 per day for the late filing of any campaign disclosure statements after the deadline until the statement or report is filed.**

There is no local ordinance limiting the amount of contributions a candidate/committee may receive. Madera County candidates are urged to follow limitations and guidelines established by the Fair Political Practices Commission in Campaign Disclosure Manual 2, Chapter 2.

CAMPAIGN DISCLOSURE REQUIREMENTS OFTEN OVERLOOKED

BE INFORMED: The Franchise Tax Board is authorized under Section 90001 of the Government Code to audit Campaign Disclosure Statements. The audit can include tests of the accounting records and other such auditing procedures.

The purpose of campaign disclosure is to provide the public with the identity of contributors and the amounts they give, as well as the amount officeholders, candidates and committees spend. The laws passed to enforce that purpose can be challenging for the unwary, therefore some often overlooked requirements, some identified in audit reports, are provided here:

- Unopposed candidates are subject to provisions of the Political Reform Act (GC82007)
- Prior to soliciting or receiving any contribution (including a loan), all elected officeholders and all candidates must file a Form 501.
- Contributions include **PERSONAL FUNDS** and are subject to the same disclosure requirements.
- Statement of Organization (Form 410) must be filed within 10 days by any person who receives contributions totaling \$1,000 or more during a calendar year. \$50 fee applies upon filing and annually thereafter by January 15.
