**MADERA COUNTY MONUMENT SIGN**

**RESPONDERS PLEASE NOTE:**

The following information is provided:

**The request for proposal deadline has been extended to Monday, June 27, 2016, at 4:00 P.M.**

We have received questions regarding more detailed specifications. Since we do not have any more detailed specifications than what has been issued, you may wish to present the County with different options. Our highest priorities are the design elements, long-term durability and low maintenance. The County is open to suggestions as long as they don't affect the design and are durable long-term solutions that don't require much maintenance.

Clarifications of specifications are to be directed to:

Eric Fleming, County Administrative Officer, Madera County Administration, 559-675-7703.
