

## THE FILM

*The Homestretch* follows three homeless teens as they fight to stay in school, graduate, and build a future. Each of these smart, ambitious teenagers – Roque, Kasey and Anthony - will surprise, inspire, and challenge audiences to rethink stereotypes of homelessness as they work to complete their education while facing the trauma of being alone and abandoned at an early age.

As their stories unfold, the film connects us deeply with larger issues of poverty, race, juvenile justice, immigration, foster care, and LGBTQ rights. Against all odds, these kids defy stereotypes as they create new, surprising definitions of home. Through haunting images, intimate scenes, and first-person narratives, these teens take us on their journeys of struggle and triumph.
