District Attorney's Public Information Officer

MADERA, CA. – On 9/16/2015, To better inform the public of relevant issues that might be of importance within our county the District Attorney's office would like to inform the public that it will be appointing John Bell as the department's Public Information Officer. John has been with the District Attorney's office for the past 14 years. Some of the responsibilities John Bell will have will be to provide information to the media and the public regarding relevant issues that might be of importance to the public.

The District Attorney will also like to inform the public that Investigator Luis Carrillo who is fluent in Spanish will be assisting John Bell and will be in charge of providing information to the Spanish speaking public and the Spanish speaking media. Luis Carrillo has been with the District Attorney's office for the past 2 ½ years. Luis has also worked for the Madera Police Department, the Madera County Probation Department and the Chowchilla Police Department.

David Linn believes that both John Bell and Luis Carrillo are a great asset not only to Madera County but also to the District Attorney's office. The public and the media can contact both John Bell and Luis Carrillo with any questions they might have.
